April 2017

Feature of the Month

Christ has Risen! He has risen indeed!

This month we celebrate the death and resurrection of our Lord Jesus Christ. It is a time to reflect on the grace of God and on the hope He promised back in the garden. After Adam and Eve had disobeyed God's direction, God explained that their relationship with Him was broken. Their sin had separated them from God. But the wonderful thing is that God did not leave it at that. He gave them hope! He promised that one day, a Savior would crush the head of the serpent! And when that happen, we as humans would be made righteous again in the sight of God. We would be brought back into right fellowship with Him. God gave them Hope! His promise was fulfilled when Jesus came and through His death and resurrection made us right with God. We, at LINC rejoice in the Hope of the season and pray that God uses us to offer hope to those in this world who do not know Jesus is our Hope!

LOVE BITS:

God allowed LINC to help a couple from Oroville, CA. They were evacuated from their home due to the flooding in the area. So they packed up their camper van and traveled to see family in the NW. Along the way, they had car troubles. LINC was able to help them get some needed brake repair and also address some daily needs. They needed some warmer clothes! In a small way LINC was able to help this couple as they dealt with a natural tragedy.
