February 2017

A NOTE FROM THE DIRECTOR

Wow, here we are in February already! Where is the year going? We have not had an e-letter for quite a while, but we are digging our way out the snow drifts and getting back on track.

There has been a lot going on and we are seeing God move in great and glorious ways. To name a few: with all the snow that we have had, the building is still standing (the snow did some damage to the roof, but people stepped in to help with the repairs). LINC was able to help a family, who just moved into the area, with setting up a house. We have some new volunteers (we are always looking for more). And with all the cold weather, we praise the Lord for the donations of many coats, sweaters and sweatshirts.

God has blessed us to bless others. Your gifts and giving help us reach the needy and hurting here in Jefferson County. May God continue to bless you as you help LINC love in the name of Christ.

LOVE BITS:

DM: After spending some time trying to unsuccessfully locate DM's car, one of the volunteers at LINC approached her with a beautiful, donated London Fog coat. It was a perfect fit. One of the other volunteers lamented, "Sorry, we don't have any gloves or a scarf to match." DM said that was not a problem and then stuffed her hands into the pockets. But they were full. She pulled out a matching scarf and set of gloves! God has remarkable timing and a great sense of humor.
