## Office Hours:

Mon, Tue, & Wed  
10:00am - 2:00pm

Follow us on

In these unstable times, we as Christians need to remember that we are the body of Christ. And as that body we are commanded to show this hurting world what the love of God really looks like. This can be difficult at times as we watch the news, listen to the radio, and read reports on the Internet that cause us to question the possibility of being light and love to those filled with so much hate, anger, and bitterness.

Yet if we are truly the body of Christ, we need to embody the truth that Jesus commanded us: to go into the world and make disciples. So how do we do this? By following a threefold process. Firstly, we need to remain true to our Christian beliefs and convictions. Secondly, we need to be loving in our interacting with and serving those who do not share our beliefs and convictions. Thirdly we need to be consistent in doing the first two at all times.

Let's use our hands, feet, and resources to show the world who God really is and that He loves them very much!

## LOVE BITS:

This month has been a slow one. So we have spent our time in the office, working through paperwork and sorting through our wares.

We have also been able to get out and about more in the community. A number of us attended the Mountain Child Nursery School luncheon. We had a great time learning more about this organization and being a part of their fund raiser.

We also were invited to attend a luncheon out in Three Rivers area by the Three Rivers Bears and Quilts Club. These wonderful women supply LINC Madras and other Jefferson County organizations with cute bears to help comfort children in need. We are so thankful for the support of this talented group of quilters!

**HELP**

**BITS:**

**Items we are in need of at the moment**

-----  
Fast food gift cards

Tents

Sleeping bags

Camping gear
